Sir/Madam:

This statement is filed in the application identified above pursuant to 37 C.F.R. §§ 1.97 and 1.98. Applicants call attention to the art references within the knowledge of applicants and their attorneys which are listed on the attached PTO Form SB08. No representation is intended that a complete search has been made or that no better art references are available. The filing of this statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to the patentability as defined in 1.56(b).

REMARKS

None of the art cited on the attached PTO Form SB08 is believed to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentability distinguishable over these references.

It is believed that a fee of \$180.00 is due to file this Information Disclosure Statement under 37 C.F.R. § 1.97(d). 37 C.F.R. § 1.17(p). However, if any additional fees are necessary in connection with this document, please charge Deposit Account No. 02-0390, Baker & Daniels.

STATEMENT UNDER 37 CFR § 1.97(e)(2)

No item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement.

Respectfully submitted,

---
